Projects include the provision of water supply, wastewater and solid waste facilities for individual homes and communities. Typical projects range in total cost from \$50,000 to \$500,000 and include a diversity of facilities. Prepares cost estimates, frequently contacts external partners/customers such as other governmental agencies, tribal groups, contractors etc. Oversees the construction inspection for sanitation facilities, oversees up to two engineering technicians or inspector in the conduct of the programs. Investigates, conducts and writes technical reports for the Tribes regarding associated environmental engineering activities.

**QUALIFICATION REQUIREMENTS:**

This position requires the following qualifications requirements to perform the above duties and carry out the above responsibilities. Candidates who are applying for this vacancy are responsible for providing sufficient evidence to show they fully meet the qualification requirements. Your experience and level of involvement in each of the above job elements must be documented clearly so that the full amount of credit can be given.

**BASIC REQUIREMENTS:** Either A or B

A. Degree- Professional Engineering. To be acceptable, the curriculum must:

1. Be in a school of engineering with at least one curriculum accredited by the Accreditation Board of Engineering and Technology (ABET) as a professional engineering curriculum;
2. Include differential and integral calculus and courses (more advanced than first-year physics and chemistry) in five of the following seven areas of engineering science or physics: ( ) static, dynamics; (b) strength of materials (stress-strain relationships); (c) fluid mechanics, hydraulics; (d) thermodynamics; (e) electrical fields and circuits; (f) nature and properties of materials (relating particle and aggregate structure to properties), and (g) any other comparable area of fundamental engineering science or physics, such as optics, heat transfer, soil mechanics, or electronics

B. Combination of education and experience – college-level education, training, and/or technical experience that furnished (1) a thorough knowledge of the physical and mathematical sciences underlying professional engineering, and (2) a good understanding, both theoretical and practical, of the engineering sciences and techniques and their applications to one of the branches of engineering. The adequacy of such background must be demonstrated by one of the following:

1. *Professional registration:* Current registration as a professional engineer by any State, the District of Columbia, Guam, or Puerto Rico.
2. *Written test:* Evidence of having successfully passed the Engineer-in-Training (EIT) examination, or the written test required for professional registration, which is administered by the Boards of Engineering, Examiners in the various States, the District of Columbia, Puerto Rico, and Guam. Applicants who have passed the EIT examination and have completed all the requirements for either (a) a bachelor's degree in engineering technology (BET) from an accredited college of university that included 60 semester hours of courses in the physical, mathematical, and engineering sciences, or (b) a BET from a program accredited by the Accreditation Board for Engineering and Technology (ABET) may be rated eligible for certain engineering positions at GS-5. Eligibility is limited to positions that are within or closely related to the specialty field of the engineering technology program.
3. *Specified academic courses:* Successful completion of at least 60 semester hours of courses in the physical, mathematical, and engineering sciences and in engineering, which included the courses specified in the basic requirement. The courses must be fully acceptable toward meeting the requirements of a professional engineering curriculum as described in the basic requirements.
4. *Related curriculum:* Successful completion of a curriculum leading to a bachelor's degree in engineering technology or in an appropriate professional field, e.g., physics, chemistry, architecture, computer science, mathematics, hydrology, or geology, may be accepted in lieu of a degree in engineering, provided the applicant has had at least 1 year of professional engineering experience acquired under professional engineering supervision and guidance. Ordinarily there should be either an established plan of intensive training to develop professional engineering competence, or several years of prior professional engineering-type experience, e.g., in interdisciplinary positions.

**NOTE:** An applicant who meets the basic requirements as specified in A. or B., above, may qualify for positions in any branch of engineering at GS-5.

**For the GS-7 level,** one year of *professional* experience equivalent to the next lower grade level (GS-5) or you may substitute education for experience.

**PROFESSIONAL EXPERIENCE** equivalent to the GS-5 grade level is work experience that is typically in or related to the work of job at the next lower grade level in the normal line of promotion (or progression) of the position, that is the pattern of upward movement from one grade to another. In addition, experience is typically required for this type of position (above the entry level) where applicants must have demonstrated that they possess the ability to perform successfully the duties of a position after a normal orientation period. Examples of Professional experience for this position is non-routine engineering work that required and was characterized by (1) professional knowledge of engineering; (2) professional ability to apply such knowledge to engineering problems; and (3) positive and continuing development of professional knowledge and ability.

OR

**SUBSTITUTION OF EDUCATION FOR EXPERIENCE: For GS-7:** One year of graduate-level education or superior academic achievement. Superior academic achievement is based on (1) class standing (upper 3<sup>rd</sup> of graduating class), (2) grade-point average (3.0 or higher overall for 4 year program **or** 3.5 or higher based on the average of the required courses completed in major field or required courses in major field completed during the final 2 years of curriculum), (3) honor society membership.

**CONDITIONS OF EMPLOYMENT:**

1. Selectee(s) are required to complete a security questionnaire and fingerprint chart for investigative purposes for use in determining suitability for Federal employment within seven days of their start date.
2. Selectee(s) are required to complete a "Declaration of Federal Employment - Optional Form 306" to determine your suitability for Federal employment, and to certify the accuracy of all the information in your application. Persons making false statements in any part of the application may not be hired; or fired after employment starts; or may be fined.
3. Males born after December 31, 1959 are required to be registered with the Selective Service System in order to be eligible for employment with the Federal Government.
4. Selectee(s) are required to have a viable bank account at a financial institution for electronic direct deposit of salary payment.

**BASIS OF RATING:** Ratings will be based on your experience as it relates to the qualification requirements and on the knowledge, skills, and abilities (KSA's) listed. You should provide detailed evidence of the KSA's in your application in the form of clear, concise, examples showing level of accomplishment and degree of responsibility. Qualified candidates will be assigned a score between 70 and 100, not including points that may be assigned for veterans' preference. Applicants who meet the basic qualifications and do not respond to these KSA's will only receive a score of 70 out of a possible 100.

- Element 1** Ability to handle the technical aspects of the job. This includes the ability to design and oversee construction of water supply and waste disposal facilities for communities and individual homes.
- Element 2** Ability to make effective oral presentations, including presentations of technical material to non-technical audiences. This includes the ability to effectively express oneself with a variety of individuals and in group-settings by making oral presentations and participating in and conducting meetings.
- Element 3** Ability to make written presentations, using proper formats, and effective communication materials. This includes the ability to express oneself using a broad knowledge of grammar syntax and proper use in constructing reports, correspondence, and analyses in correct, concise English.
- Element 4** Ability to plan, organize and prioritize. This includes the ability to effectively anticipate long term needs as well as current workload demands and the ability to plan to meet these requirements.

**TIME IN GRADE:** Federal status applicants must have completed at least 1 year of service in a position no more than one grade lower than the position to be filled. If selected under the Excepted Service Examining Plan, individuals may be appointed without regard to time-in-grade requirements.

**LEGAL AND REGULATORY REQUIREMENTS:** Federal status applicants must meet time-after competitive appointment, time-in-grade, and qualification requirements within 30 calendar days after the closing date of the vacancy announcement.

**METHOD OF EVALUATION:** Evaluation is made on the basis of appropriate education, experience, performance appraisals, training, self-development, outside activities, special awards, experience related to tribal communities and projects, and also on the information provided in the applicant's responses to the following Knowledge, Skills, and Abilities.

**REASONABLE ACCOMMODATION:**

The Indian Health Service provides reasonable accommodation to applicants with disabilities. If you need a reasonable accommodation for any part of the application and hiring process, please notify the Human Resource Specialist named below. The decision on granting reasonable accommodation will be on a case-by-case basis.

## APPLICANT'S STATEMENT OF SELECTIVE SERVICE REGISTRATION STATUS

If you are a male born after December 31, 1959, and are at least 18 years of age, civil service employment law {5 U.S.C. 3328} requires that you must be registered with the Selective Service law, unless you meet certain exemptions under Selective Service law. If you are required to register but knowingly and willfully fail to do so, you are ineligible for appointment by executive agencies of the Federal Government.

### CERTIFICATION OF REGISTRATION STATUS

Check one:

- ☐ I certify I am registered with the Selective Service System.
- ☐ I certify I have been determined by the Selective Service System to be exempt from the registration provisions of Selective Service law.
- ☐ I certify I have not registered with the Selective Service System.
- ☐ I certify I have not reached my 18th birthday and understand I am required by law to register at that time.

### NON-REGISTRANTS UNDER AGE 26

If you are under age 26 and have not registered as required, you should register promptly at a United States Post Office or consular office if you are outside the United States.

### NON-REGISTRANTS AGE 26 OR OVER

If you were born in 1960 or later, are 26 years of age or older, and were required to register but did not do so, you can no longer register under Selective Service law. According, you are not eligible for appointment to an executive agency unless you can prove to the Office of Personnel agency Management (OPM) that your failure to register was neither knowing nor willful. You may request an OPM decision through the agency that was considering you for employment by returning this statement with your written request for an OPM determination together with any explanation and documentation you wish to furnish to prove that your failure to register was neither knowing nor willful.

### PRIVACY ACT STATEMENT

Because information on your registration status is essential for determining whether you are in compliance with 5 U.S.C. 3328, failure to provide the information requested by the statement failure to provide the information requested by this statement will prevent any further consideration of your application for appointment. This information is subject to verification with the Selective Service System and may be furnished to other Federal agencies for law enforcement or other authorized use in implementing this law.

### FALSE STATEMENT NOTIFICATION

A false statement may be grounds for not hiring you, or for firing you if you have already begun work. Also, you may be punished by fine or imprisonment. (Section 1001 of title 18, United States Code.)
